Who are the Friends?

Friends of the library share a passion for libraries and a desire to help their library meet the challenges of the day as well as to help the library remain a vital community resource far into the future. The primary purpose of a Friends group is to be of service to the library through *Fundraising, Promotion, Advocacy, and Community Involvement.*

A Friend's group is validation of the public library's importance to its community. The Bosler Memorial Library has placed its trust in us to help augment its budget and to strengthen its services through our volunteers and through our collective "voice" of advocacy. Please consider adding your voice by becoming a member of Friends of Bosler Memorial Library.

We are volunteers,
We are fundraisers,
We are members,
We are the Friends of Bosler Memorial Library!
